Please read this first

The law asks us to point out the parts of this agreement that give us rights over the Star's content, let us end this agreement or charge fees, limit our responsibility, or ask you to confirm facts or cover our losses. Please read them before you sign:

- **Clause 1.4:** This agreement and the tuition cover end on 31 December of the programme year and do not renew. Any further year is our choice alone, and we may choose new Stars instead.
- **Clause 3.1:** We may charge tuition for any month in which the family does not do what clauses 4.1 to 4.3 and Part A of Schedule "3" require.
- **Clause 4.9:** For 6 (six) months after the Term, the Star and the Parent will not appear in marketing for another school.
- **Clause 8:** CambriLearn will own all Content and may use it, with the Star's name, image and voice, anywhere in the world, forever, with no further payment to anyone.
- **Clause 10:** You can withdraw consent at any time. We then take the Content down from channels we control, but we cannot recall copies already out in the world. If you withdraw consent to all Content, this agreement ends and clause 12.3 applies.
- **Clause 12:** We may end this agreement immediately, with no notice period, for the reasons in clause 12.2, including not meeting the content requirements or the schoolwork standard in Schedule "3", and may suspend the Star's participation if fees were not up to date when we offered the Star role or when you signed. If this agreement ends early, the rest of the programme year is charged at the rate you had before, you return the ring light and microphone (clause 12.5), and nothing is repaid for months already covered.
- **Clause 13:** Our responsibility is limited and capped, you confirm the facts in clause 13.3, and you cover our losses if a statement you make in clause 13.3 is untrue or Content you send us breaks clause 4.7.

If anything is unclear, please ask us before you sign.

1 What this agreement covers

- 1.1 The Star was selected as a CambriLearn Star for the programme year in Schedule "2" ("the programme year") through the CambriLearn Star Search. This agreement sets out what we provide, what the family does, and how we may use the content we make together.
- 1.2 It runs from the date the last party signs it until 31 December of the programme year ("the Term"), unless it ends earlier under clause 12. Our rights in clause 8 continue after the Term.
- 1.3 Please sign and return it by the signing date in Schedule "2".

No renewal

1.4 This agreement, the tuition cover and the Star role end on 31 December of the programme year and do not renew. The Star has no right to, and should not expect, selection as a Star or tuition cover for any later year, and nothing we say or do creates that right. We may invite the Star to take part again only under a new written agreement, and only if:

1.4.1 the Star met the schoolwork standard, and the family met the content requirements, in Schedule "3" throughout the programme year, and the family did everything else this agreement requires; and

1.4.2 we choose to select the Star again. That choice is ours alone, and we do not have to give reasons.

Being a Star is a 1 (one) year role. We may offer to extend this agreement for part or all of a further year, in writing, or choose new Stars for any later year instead of, or as well as, the Star. Both choices are ours alone.

If the law continues this agreement

1.5 If any law treats this agreement as continuing after 31 December of the programme year, it continues month to month only, with no tuition cover, kit, shoots or monthly briefs, and either of us may end it by giving 20 (twenty) business days' written notice. Before the Term ends we will send you the notice that section 14 of the Consumer Protection Act 68 of 2008 requires.

2 How this fits with our terms and conditions

2.1 The CambriLearn Terms and Conditions, Rules and Procedures and Privacy Policy, as published on cambrilearn.com and updated from time to time (together, "the T&Cs") keep applying in full to the Star's schooling. This agreement adds to them and does not change them. It is a separate agreement, and the whole-agreement clause in the T&Cs does not exclude it.

2.2 This agreement covers only the Star programme: the benefits in clause 3, what the family does, and the Content. On enrolment, fees, payments, cancelling enrolment, conduct and academic matters, the T&Cs apply, and they take priority if anything here seems to conflict with them. The only money matters this agreement changes are the tuition cover and credit in clauses 3.1 and 3.2, and the fee rules in clause 12.3.

2.3 The CambriLearn Star Search terms and conditions covered entry and selection. From signature, this agreement covers the Star's participation. Being selected was an offer of the Star role under this agreement, which the family was free to accept or decline.

3 What CambriLearn provides

Tuition cover

- 3.1** We cover 100% (one hundred percent) of the Star's tuition for January to December of the programme year on the Premium package for the CAPS or International British curriculum, for the grade the Star is enrolled in for that year. If the Star is on a different package in that curriculum, the Star may move to the Premium package for the programme year. If the family prefers to stay on its current package, we cover 100% (one hundred percent) of that package instead. We apply the cover to the Star's account month by month while this agreement runs. If the family does not do what clauses 4.1 to 4.3 and Part A of Schedule "3" require in a month, we may charge that month's tuition under the T&Cs instead.

Tuition already paid

- 3.2** If you have already paid tuition for the programme year (for example through Lock In Your Fees), we will **credit it to your CambriLearn account** within 30 (thirty) days of signature. We use the credit first for any fees payable under clause 12.3 and then for later CambriLearn fees. If the Star leaves CambriLearn, we refund any unused credit, except an amount held to secure a fee lock, which stays subject to the T&Cs.

Registration fee and what is not covered

- 3.3** We waive the registration fee for the programme year. Exam fees, textbooks, devices and optional extras are not covered and remain payable under the T&Cs.

Stars kit and training

- 3.4** A CambriLearn merchandise pack, a ring light and a mini microphone, which the Star keeps, unless clause 12.5 applies, and an online training session on making content.

Travel and accommodation

- 3.5** We do not pay for these. The family covers the cost of getting the Star to and from shoots (see clause 6.6).

This is the full payment

- 3.6** The benefits in this clause are the full payment for the Star's participation and for the rights in clause 8. No fee, royalty, residual, repeat fee or usage fee is payable to anyone, now or later, for any use of the Content, anywhere, in any media, for any length of time. This includes any royalty or share of a royalty that a law gives a performer or author, to the extent the law allows the family to give it up or transfer it to us. If a law gives the Star a right to payment for the Content that cannot be excluded, the benefits in this clause count towards it as far as the law allows. The benefits cannot be exchanged for cash or transferred, and they replace any other discount or promotion on the Star's tuition for the programme year.

Tax

- 3.7** Each party is responsible for its own tax. CambriLearn does not give tax advice.

4 What the family agrees to do

Main shoot

- 4.1** Take part in a photo and film shoot in Johannesburg or Cape Town during the main shoot period in Schedule "2". We will confirm the location, date and time slot after signature.

Further shoots

- 4.2** Take part in up to 3 (three) further shoots during the programme year (a mid-year shoot and up to 2 (two) short sessions), on dates agreed with you at least **3 (three) weeks** ahead.

Monthly content

- 4.3** Each month, send the videos and photos the monthly brief asks for, to the standard in Part A of Schedule "3", within **10 (ten) days** of receiving it.

Training

- 4.4** Attend the training session and use the Stars kit where practical.

Enrolment and schoolwork

- 4.5** Keep the Star enrolled at CambriLearn, in good standing under the T&Cs, for the Term, pay all fees due under the T&Cs on time, and make sure the Star meets the schoolwork standard in Part B of Schedule "3".

Honesty

- 4.6** Everything the Star or Parent says for CambriLearn will reflect their own experience. We will never ask either of you to say anything untrue.

Your own material only

- 4.7** Content you send us will be the family's own. It will not include:

- 4.7.1** commercial music, or anyone else's photos, video or artwork;
- 4.7.2** other people, unless they (or, for a child, their parent) have signed our short release form, or they are the Star's brothers or sisters and you have ticked the box in Schedule "1". Children under 15 (fifteen) other than the Star may only appear in the background;
- 4.7.3** other schools' or brands' names or logos; or
- 4.7.4** your address, street signs, car number plates or anything else that could show where you live.

Brand guidance

- 4.8** Follow our reasonable guidance on Star content, such as wardrobe, and use the wording in each brief when mentioning our curricula, accreditation or fees.

Other schools

- 4.9** During the Term and for 6 (six) months after it ends, the Star and the Parent will not appear in marketing for another school or education provider.

Keeping plans private

- 4.10** Do not share unreleased Content, campaign plans or shoot details publicly until we have launched them. Keep the terms of this agreement, including the value of the tuition cover, private, except with your family and professional advisers or where the law requires.

Conduct

- 4.11** Follow the conduct rules in the T&Cs, including on social media.

Fair comment

- 4.12** During the Term, the family will not publish anything about CambriLearn, its staff or other learners that the family knows, or should reasonably know, is false or misleading. This does not stop honest reviews (clause 11.4), complaints to us or to a regulator, or anything else the law allows.

Pausing for conduct

- 4.13** If the Star or a Parent does something that, in our reasonable opinion, could harm the Star, another learner or CambriLearn's reputation, or if public comment makes it unsafe or unwise to continue, we may pause shoots and content requests, and stop using some or all of the Content, while we look into it. We will tell you why. The tuition cover continues during the pause unless this agreement ends under clause 12.2.

5 Learning comes first

- 5.1** We plan shoots and content around the Star's learning. If schoolwork suffers, we may reduce or pause content requests. A pause we ask for does not affect the tuition cover, but clause 12.2.2 still applies.
- 5.2** Taking part does not affect the Star's assessment, marks or treatment at school in any way.

6 The Star's wellbeing

Supervision

- 6.1** A Parent, or another adult you nominate in writing, stays with the Star at every shoot, within sight and sound of the Star, including in wardrobe, make-up and changing areas.

Hours

- 6.2** For every Star, whatever their age:
- 6.2.1** no more than 4 (four) hours of work a day, or 3 (three) hours if the Star is 10 (ten) or younger;
 - 6.2.2** no more than 10 (ten) hours at the shoot location in a day, or 8 (eight) hours if the Star is 10 (ten) or younger;
 - 6.2.3** a break of at least 30 (thirty) minutes after every 2 (two) hours of work, or after every 90 (ninety) minutes if the Star is 10 (ten) or younger; and
 - 6.2.4** no work between 22:00 and 05:00.

Food and rest

6.3 We provide food and water at shoots, and a place to eat and rest away from the crew.

The Star can say no

6.4 The Star may decline any single shot, question, activity or post, at any time, with no consequence for that shot, question, activity or post. If the Star does not take part in a shoot or monthly brief as a whole, clauses 3.1 and 12.2.3 apply. We will not ask the Star to perform when they are not ready or fit, or to do anything dangerous. You may stop any activity you think is unsafe.

Contact

6.5 We tell you about every shoot and content request in advance, and we contact the family through the Parent. We will not message the Star privately.

Day shoots and travel

6.6 All shoots are day shoots, and we will not require the Star to stay away from home overnight. You are responsible for getting the Star to and from shoots, at your own cost. If you choose to travel the day before or stay over, that is your choice and your cost. We will try to offer a time slot that lets the Star travel there and back on the same day.

7 Privacy

Who is responsible

7.1 CambriLearn (Top Dog Internet Sales (Pty) Ltd) is responsible for the personal information in this agreement. You can reach our Information Officer at community@cambrilearn.com.

What we collect and why

7.2 We collect the details in Schedule "1" and the personal information in the Content, such as the Star's name, image, voice, story, age, grade, curriculum and home town. We use it to run the Star programme and to make, publish and advertise the Content under clause 8. Giving it to us is voluntary, but the Star cannot take part without it.

Name

7.3 In public we use only the Star's first name, unless you tick the box in Schedule "1".

Sensitive details

7.4 We will only publish details about the Star's health, a learning difference (such as ADHD or dyslexia), religion or anything similar if you agree to those specific details in Schedule "1".

Location

7.5 We will never publish the Star's address, contact details or real-time location. Content will not describe a shoot location as the Star's home.

Who receives it

- 7.6 Our group companies, and the production companies, photographers, agencies, media owners and online services (such as Meta, Google, YouTube and TikTok) that help us make and publish content. Some of them store information outside South Africa, including in the United States, the European Union and the United Kingdom.

Public content

- 7.7 Once published, Content is public. Anyone can see it, and people can share or screenshot it.

Comments

- 7.8 We take reasonable steps to monitor comments on our own posts featuring the Star and to remove inappropriate ones, and may switch comments off.

How long we keep it

- 7.9 We keep the Content in our archive for as long as we use it or might use it, which may be indefinitely. We keep other information as set out in the Privacy Policy.

Your rights

- 7.10 You may ask to see or correct the information we hold, object to how we use it, or withdraw consent under clause 10. If you are unhappy with how we handle it, you may complain to the Information Regulator (info regulator.org.za).

Your consent

- 7.11 As the Star's parent or guardian (the Star's "competent person" under the Protection of Personal Information Act 4 of 2013), you consent to us processing the Star's personal information, and your own if you appear in Content, as set out in clauses 7 and 8. This includes sending it outside South Africa and keeping the Content in our archive. Once the Star turns 18 (eighteen), we continue to process it to perform this agreement, and the Star can exercise the rights in this clause personally. Any other parent or guardian gives the same consents by signing this agreement or the consent in Schedule "1".

8 Content: who owns it and how we use it

- 8.1 **Content** means everything created for or sent to us under this agreement, whether made at shoots or by the family: photos, video, audio, interviews, written pieces and posts. It includes the Star's Star Search entry video and answers.

CambriLearn owns the Content

- 8.2 The Star and the Parent transfer (assign) to CambriLearn all copyright and other rights they have in the Content, including Content made later, as soon as it is created. The transfer applies worldwide, for as long as those rights last. CambriLearn owns Content made at shoots it arranges from the start. CambriLearn also owns, from the start, photos and videos it commissions from the family under a brief, as the Copyright Act 98 of 1978 allows.

Back-up licence

- 8.3** If any right cannot be transferred, the Star and the Parent give CambriLearn a free, permanent, irrevocable, worldwide licence to use that right in any way clause 8 allows, which we may pass on to others.

How we may use it

- 8.4** CambriLearn, its group companies and anyone we authorise may use the Content, and the Star's name (as allowed by clause 7.3), image, likeness, voice and story as they appear in it, in material that promotes CambriLearn and carries the CambriLearn brand, in any media now known or invented later, worldwide, forever. This includes social media, websites, apps, paid advertising, search, email, print, outdoor (such as billboards), TV, radio, cinema, events, press and PR, award entries, presentations, and joint campaigns with our partners. The same applies to the Parent and any family member who appears in the Content. We will not use the Content to advertise another company's products on their own.

Performances

- 8.5** For the purposes of the Performers' Protection Act 11 of 1967, the Star (assisted by the Parent) and the Parent consent to the recording, copying, broadcast and communication to the public of their performances in the Content, for any use clause 8 allows. They also transfer to CambriLearn any right to receive a royalty for those performances, and agree that CambriLearn may give any further consent the Act requires.

Editing

- 8.6** We may shorten, crop, subtitle, translate, resize, retouch and reorder Content, add music, graphics and voice-over, and combine it with other material, using any editing tools, including AI tools. We will not:
- 8.6.1** change the meaning of what the Star says, or show the Star in a misleading, embarrassing or harmful way;
 - 8.6.2** change the Star's words, beyond shortening them, without your written agreement; or
 - 8.6.3** use AI or any other technology to create words, actions, or a synthetic face or voice of the Star that the Star did not say or do.

Credit and objections

- 8.7** To the extent the law allows, the Star and the Parent agree that we do not have to name the Star as the author of Content, and will not object to edits made in line with clause 8.6. They also consent to modifications needed for technical reasons or to use the Content commercially.

No obligation to use

- 8.8** We decide whether, where and how to use the Content, and we may choose not to use some of it.

Your own use

- 8.9** The family may keep copies of Content it made and use them privately, and may share Star content on personal accounts after we publish it (see clause 11). Any other use, including commercial use, use for another brand or sponsor, or use that suggests CambriLearn endorses anyone, needs our written consent.

9 Fact checks

- 9.1 If you tell us that published Content featuring the Star contains a factual error or raises a safety or privacy concern, we will correct it, or stop using it, within a reasonable time. Creative choices, such as editing, music, wording, placement and media, are ours.
 - 9.2 When we ask, you will confirm in writing that a quote or story we plan to use is accurate. The advertising code requires us to keep signed, dated copies of testimonials.
-

10 Taking content down and withdrawing consent

- 10.1 You, or the Star once they turn 18 (eighteen), may withdraw consent to our use of Content that shows or identifies the Star or a family member, either all of it or a specific piece, at any time, by emailing our Information Officer at community@cambrilearn.com.
 - 10.2 When you do, we stop using that Content in new material straight away. Within **10 (ten) business days** we remove it from channels we control and stop any paid adverts using it. Printed or outdoor material that is already produced or booked comes down as soon as reasonably possible, and no later than the end of the booking. We will not rebook it.
 - 10.3 We cannot recall or delete copies outside our control, such as shares, screenshots, reposts and press coverage. Withdrawal does not make earlier use unlawful, and CambriLearn still owns the Content. We may keep a copy in our records, unpublished, where the law allows. We may keep using Content after editing it so that neither the Star nor any family member can be identified from it.
 - 10.4 Withdrawing consent to all such Content ends this agreement on the day we receive your email, and clause 12.3 applies. Withdrawing consent to specific pieces does not end it.
-

11 Social media

- 11.1 Posting on personal accounts is optional. The Star will not be asked to set up a new account and should only post from accounts the Parent manages or supervises.
- 11.2 The family may share Star content once we have published it.
- 11.3 When posting about CambriLearn during the Term, put **#AD** and **#CambriLearnStar** in the post itself, as the advertising code requires.
- 11.4 Reviews are your choice and never part of this agreement. If you review CambriLearn on any review site during the Term, say that you are a CambriLearn Star family.

12 Ending the agreement early

By you

- 12.1** You may end this agreement at any time by giving us 20 (twenty) business days' written notice, or straight away by withdrawing consent under clause 10.4. We will never hold a child to taking part against their wishes. If the Star wants to stop, tell us and we will pause their participation straight away. While the pause lasts, the tuition cover applies only to the month in which it started. If the Star does not want to restart within 1 (one) month, this agreement ends at the end of that month and clause 12.3 applies.

By us

- 12.2** We may end this agreement immediately, with no notice period, by email to you, if:

- 12.2.1** the Star stops being enrolled at CambriLearn, any fee for the Star is more than 30 (thirty) days overdue under the T&Cs, or any fee for the Star was not up to date on the date we offered the Star role or on the date you signed this agreement;
- 12.2.2** the Star does not meet the schoolwork standard in Part B of Schedule "3";
- 12.2.3** the family does not meet the content requirements in Part A of Schedule "3", or does not do something clause 4.1, 4.2 or 4.3 requires (for example, the Star misses a confirmed shoot without a good reason, or the content for a monthly brief is late or does not meet the brief), or materially breaches any other part of this agreement;
- 12.2.4** the Star or a Parent does something that, in our reasonable opinion, seriously harms or is likely to seriously harm the Star, another learner or CambriLearn's reputation, or seriously breaks the conduct rules in the T&Cs;
- 12.2.5** continuing would put the Star at risk or break the law; or
- 12.2.6** the Star stops living in South Africa.

The agreement ends when you receive our email, which is no later than 48 (forty-eight) hours after we send it (clause 14.6).

If section 14 of the Consumer Protection Act 68 of 2008 applies to an ending under clause 12.2.3, that ending takes effect 20 (twenty) business days after our email, unless the family has put the failure right by then. We may hold back the tuition cover during that time and will release it if the failure is put right.

If the law treats this agreement as employment and requires notice, we will pay you, in place of notice, what the law requires.

We may also pause or reduce shoots and content requests at any time. This does not affect the tuition cover. If any fee for the Star was not up to date on the date we offered the Star role or on the date you signed this agreement, we may instead suspend the Star's participation, and the tuition cover, until the fees are paid.

What happens to fees

- 12.3** The tuition cover applies up to the end of the month in which this agreement ends. Months it covered are not charged to you, even if the Star later leaves CambriLearn, but we may charge any month we are allowed to charge under clause 3.1. From the following month, tuition for the rest of the programme year is charged at the rate, including any discount, that applied to the Star before this agreement (for example Lock In Your Fees), using the payment options in the T&Cs. If the Star leaves CambriLearn, the T&Cs apply to those remaining months. Ending this agreement does not end the Star's enrolment, which continues under the T&Cs.

What continues

- 12.4** Clauses 1.4, 1.5, 2, 3.6, 4.9, 4.10, 7, 8, 9, 10, 12.3, 12.5, 13 and 14 continue after this agreement ends.

Returning the kit

- 12.5** If this agreement ends before the end of the Term, you will return the ring light and microphone within 10 (ten) business days. We will arrange and pay for collection. The merchandise pack is yours to keep.

13 Responsibility

- 13.1** We take reasonable care of the Star's safety at shoots we arrange.

- 13.2** To the extent the law allows, CambriLearn is not responsible for:

- 13.2.1** travel to and from shoots arranged by the family;
- 13.2.2** what other people do with Content after it is published, such as sharing, copying or commenting on it;
- 13.2.3** any indirect or consequential loss; or
- 13.2.4** any loss above the value of the tuition cover in clause 3.1, for all claims together.

Nothing in this agreement limits our responsibility for death or injury caused by our negligence, for gross negligence, or for anything else the law does not allow us to limit.

- 13.3** You confirm that:

- 13.3.1** you have parental responsibilities and rights for the Star and may sign this agreement, and if the Star has another parent or guardian who is not signing above, they have signed the consent in Schedule "1";
- 13.3.2** the information you give us is true;
- 13.3.3** Content the family sends us belongs to the family and includes nobody who has not agreed to appear;
- 13.3.4** no agency, club, sponsor or other contract prevents the Star from taking part;
- 13.3.5** the Star and the Parent live in South Africa, and you will tell us straight away if that changes; and
- 13.3.6** you know of nothing involving the Star or a Parent that, if it became public, would reasonably be expected to harm CambriLearn's reputation.

13.4 If any statement in clause 13.3 is untrue, or Content the family sends us breaks clause 4.7, and someone makes a claim against CambriLearn because of it, you will cover CambriLearn's reasonable losses and legal costs arising from that claim.

14 General

- 14.1** This agreement, read with the T&Cs as described in clause 2, is the whole agreement about the Star programme.
- 14.2** Any change will only be valid if it is in writing and signed by CambriLearn and the Parent.
- 14.3** We may transfer our rights and obligations under this agreement to a group company or to anyone who takes over our business.
- 14.4** If any part of this agreement is found invalid, the rest stays in force.
- 14.5** The Parent is not CambriLearn's employee, agent or partner.
- 14.6** We send notices by email to the addresses in Schedule "1". As in the T&Cs, an email counts as received 48 (forty-eight) hours after it is sent.
- 14.7** South African law governs this agreement. The parties consent to the jurisdiction of the High Court of South Africa, Gauteng Local Division, Johannesburg (the court the T&Cs call the South Gauteng High Court).
- 14.8** Please sign by hand (or with an advanced electronic signature), because the copyright transfer in clause 8.2 needs a signature in writing. A scan or photo of the signed pages is fine for returning it by the signing date in Schedule "2". Please bring the signed original to the first shoot.
- 14.9** "Group companies" means companies that control, are controlled by, or are under common control with Top Dog Internet Sales (Pty) Ltd, including CambriLearn USA, Inc.

I'm a CambriLearn Star!

This year I'll be part of photo shoots and videos. Each month I'll share clips about my school life, to help other families see what learning at CambriLearn is like.

- I can always say no to anything I'm not comfortable with.
- My schoolwork comes first. I need to keep up with it to stay a Star.
- I'll be myself, and be honest.
- I'll send my videos and photos on time every month.
- CambriLearn can use my photos and videos to tell people about the school, now and in the future.
- If anything worries me, I'll tell my parent, and they'll tell the CambriLearn team.
- If I want to stop being a Star, I'll talk to my parent.
- Being a Star is for 1 (one) year. CambriLearn will decide if there is another year.

My parent has explained this agreement to me, and I agree to it.

Part A: Content requirements

Requirement	What the family does	When
Main shoot	Take part in the main photo and film shoot in Johannesburg or Cape Town. Arrive on time, with the wardrobe we ask for.	During the main shoot period in Schedule "2", on the date and time slot we confirm.
Further shoots	Take part in up to 3 (three) further shoots: a mid-year shoot and up to 2 (two) short sessions.	On dates agreed with you at least 3 (three) weeks ahead.
Training	Attend the online training session on making content.	February of the programme year, on the date we confirm.
Monthly briefs	Send what each brief asks for: 2 (two) to 4 (four) videos and at least 3 (three) photos, on the topic in the brief.	Within 10 (ten) days of receiving the brief. We send 1 (one) brief a month, February to December.
Videos	Vertical (9:16), 15 to 60 seconds each, with the Star on camera, good light and clear sound (use the Stars kit microphone). No music, and no filters that change how the Star looks. Send the original files (MP4 or MOV, 1080p or higher).	Every video.
Photos	Clear and in focus, sent as original files (JPEG or HEIC), with no filters.	Every photo.
Content rules	Follow clause 4.7 (your own material only, no other children except in the background, no other schools or brands, nothing that shows where you live) and our brand guidance in clause 4.8.	All content.
Redo	If something does not meet the brief or this standard, redo it when we ask.	Within 5 (five) days of our request.

Content counts as sent on time only if it reaches us by the deadline and meets this standard. We may give you a chance to fix late or unsuitable content, but we do not have to.

Part B: Schoolwork standard

The Star does not meet the schoolwork standard if:

- (a) the Star's final report for the year before the programme year, or any CambriLearn report during the Term, shows that the Star has not passed the grade or will not be promoted to the next grade;
- (b) a CambriLearn term report shows that the Star has not met the pass mark for their grade and curriculum in 2 (two) or more subjects; or
- (c) the Star has not completed all the formal assessments (assignments, tests and exams) that the T&Cs require for a term within 10 (ten) business days after that term ends.
