

AS and A Levels Textbook List

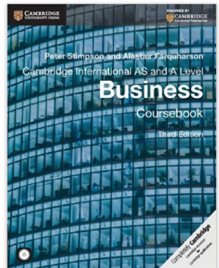

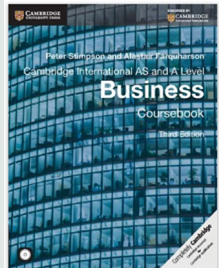

If you have already purchased copies of the following titles, you do not need to purchase the same titles again. Students who have purchased their titles for their 2021 courses do not need to purchase the 2022 editions. Below are hard copy and digital options – where either is an option, the student does not need to purchase both.

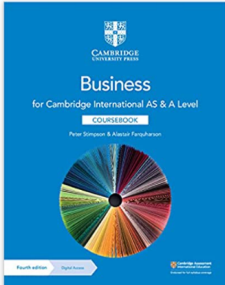

Hard copy textbooks

	ISBN: 9781108859035 Physics for Cambridge International AS & A Level Physics Coursebook Second Edition David Sang, Graham Jones, Gurinder Chadha and Richard Woodside

Important note:

An **ISBN** (International Standard Book Number) identifies a unique edition of a book.

Therefore:

- A hard copy edition of a book will carry a **different ISBN** to an e-book or digital edition. Please confirm directly with your textbook supplier whether you intend to buy a hard copy or e-book/digital edition.
- A revised edition of a book will receive a **new ISBN** even when it carries the same title as a previous edition.
