Important note:

An **ISBN** (International Standard Book Number) identifies a unique edition of a book.

Therefore:

- A hard copy edition of a book will carry a **different ISBN** to an e-book or digital edition. Please confirm directly with your textbook supplier whether you intend to buy a hard copy or e-book/digital edition.
- A revised edition of a book will receive a **new ISBN** even when it carries the same title as a previous edition.
